

Eddie Andino

United States Bankruptcy Court,
Case NO. 19-23649-Rdd.

I am being represented by Andrew E Thorton, paralegal Sean Higgins, I called the court on 6-30-2021 and on 6-28-2021 concerning what could be misunderstanding of the updates presented on January 7, 2020, with Bradley East, and the Oct 21, 2020 podcast. and the March 14, 2021 update on the proposed Estimate of Settlement. and since these update it was explained on March 14, 2021 that we do nothing at this time, but wait until the courts provide legal advice on higher Settlement in favor of future votes.

Until 6-28-2021, I recieved no Email update on the PI Channel Claim that was to be Filed no later than April 23, 2021, describing your injury and Electing your payment options. I Just got knowledge of this on 6-28, 2021 with the Vote disclosure.

It was explained by one of the prime Clerk Solicitation agent that April 23, 2021 deadline have been delayed due to the Solicitation package which is to be received with the ballot. If this is the case I am still timely with the court, disregard this error. on 6-30-2021 I cast my vote in favor of the solicitation procedures. with Andrew and Thornton, Jointly Administered.

I am willing to stay in favor of the Court Settlement disclosure plan, to the highest option... but not to succeed above the plan fixed amount of money available to compensate all other claimants. Contrast, I have proven injury jointly, and every legal element medically. In pursuit of the highest disclosure. disregard the "Consortium" which will proceed the already-limited amount of money.

I want court to know money can never measure the loss. The healing comes with the truth which is Real Justice.
